FLEETMASTER
GROUP

COURSE OBJECTIVES

Utilizing our DVSA accredited training centre and registered instructors, Fleetmaster provide Module 2 and 4 training as part of the fully managed Licence Acquisition service. Delegates will undertake Module 2 alongside the theory tests at their local test centre and Module 4 training and test is completed during the practical training and test week for Category C1 or C acquisition.

Fleetmaster also provide Modules 2 and 4 as a standalone course for those who require only these two key components.

WHO SHOULD ATTEND?

Drivers who are looking to obtain a Drivers Qualification Card (DQC) and already hold a C1, C, D1 or D licence.

DELIVERY LOCATIONS
