

Full Day

Trailer Towing Familiarisation

(FM-013)

FLEETMASTER
GROUP

COURSE OBJECTIVES

The purpose of the trailer towing course is to refresh the experience of someone with a B +E licence entitlement.

It will provide the driver with the skills and knowledge on how to successfully drive, a vehicle with a trailer attached, along with the correct procedure on how to manoeuvre the vehicle, and to couple and uncouple the trailer. The course will also help the driver to understand weight limits and restrictions.

WHO SHOULD ATTEND?

Drivers who have the B +E driving entitlement and have some experience of towing a trailer but may need a refresher to safely tow a trailer for work.

Ideal for employers who have drivers with the B +E entitlement, to allow them to upskill their driving workforce.

DELIVERY LOCATIONS

Fleetmaster certified

Full day – 1 delegate

Training delivered by fully qualified instructors

Post course e-report emailed direct to manager

Any suitable UK location

COURSE CONTENT

- ✓ **Full Day** training 1:1 (Experienced)
- ✓ **Structured** training following the DVSA requirements for Trailer Towing.
- ✓ **Take advantage** of the entitlement on your licence by upskilling your ability to have the skills to tow a trailer safely.
- ✓ **Confidence** for employers that their drivers have been trained to high standard to drive the vehicle whilst towing safely.
- ✓ **Qualified** trainers available to deliver familiarisation training nationwide.
- ✓ **Option** to have training completed on site in own company vehicle – beneficial to ensure the driver is aware of the functions of the vehicle they would be working in.
- ✓ **Gain** an understanding of safe load principles.
- ✓ **Full** training report produced and sent to Line Manager.
